

FAMILY LESSON - WEEK 4

Materials: Blocks or something to stack

CIRCLE UP

Use this time to gather together and get everyone talking.

ASK

Ask a question based on each family member's favorite color:

RED or PINK - Which would be scarier to touch: a spider, a snake, or neither?

YELLOW - What makes you feel better when you are worried or scared?

BLUE - What makes you feel scared: loud noises, the dark, or neither?

GREEN or ORANGE - What do you like to do when you feel worried or scared?

PURPLE - Would you feel more worried if you had to climb a tall ladder or dig in a tunnel underground?

SAY

We can all feel worried or scared sometimes, but when we do, we can trust that God is with us and taking care of us! So let me hear you say this after me:

When I'm Scared, (make scared face)

God Is (point up)

With Me (thumbs to chest)

ASK

What are two things you can remember about God when you feel scared?

HAVE FUN TOGETHER

Work with your family to build a "Tower of Fear."

DO

1. Take turns stacking blocks to build a tall tower. For each block someone adds, have them say something that makes them feel worried or scared.
2. After your family has completed the tower, allow your kids to knock it down!
3. Have a race to see how fast you can clean up all the blocks!

SAY

When we feel scared or worried, we can pray and ask God to help us. We can trust that God will knock all of those worried or scared feelings away because He is with us! Say this after me one more time:

When I'm Scared, (make scared face)
God Is (point up)
With Me (thumbs to chest)

PLAY

Practice saying the memory verse together a few times, then play "Muddy Boots." Sit in a circle and have everyone put their feet in the middle. Going around the circle, have each person stomp as they say the next word of the verse. Whoever stomps their foot on "20" is out. Play until one foot is left.

God is greater (point up)
Than our feelings (pat heart)
And He knows (point up)
Everything. (arms out wide)
1 John 3:20 (make book with hands)

PRAY

Father God, thank You for all the ways You have taken care of us. We choose right now to trust You instead of worrying. We have nothing to fear because we have You. We love You! Amen!
